3-4	BO1001
5-6	BO1002
7-8	BO1003

Making Sense Of The First 90 Sightwords

A J Hardwick

£3.75	BO271
-------	-------

Work sheets and games for young readers who have great difficulty remembering sight words. Age range 6-9 years.

Phonic Rhyme Time

Mary Nash Wortham

£5.50	BO359
-------	-------

A collection of rhymes to give practice with individual sounds of English. *SPECIAL OFFER*

Phonics - The Phonics Handbook

Sue Lloyd

£22.50	BO734
--------	-------

The Phonics Handbook enables reading to be taught in a simple and straightforward way through an understanding of the 42 main sounds of English. Extensive photocopiable material is provided so that a full programme is available from the book.

Phonics - Finger Phonics

Sue Lloyd and Sara Wernham

These books show all the letter sounds of English, not just the alphabet, with an 'action' for each. There are cut-out letter shapes to show little fingers the correct way to form each letter and at the end of each book are 'finger activities' so that knowing the letters leads easily to both reading and spelling.

£4.50 each

Finger Phonics 1	BO735
Finger Phonics 2	BO736
Finger Phonics 3	BO737
Finger Phonics 4	BO738
Finger Phonics 5	BO739
Finger Phonics 6	BO740
Finger Phonics 7	BO741

Phonics – Jolly Phonics

Alternative Spelling and Alphabet Poster

£6.50	BO1004
-------	--------

Phonics - Jolly Phonics

Sue Lloyd and Sara Wernham

In these books all the letter sounds of English are introduced (not just the alphabet), with an 'action' for each. Exercises show how to use the letter sounds to read and to spell, along with ways of learning the 'tricky' spellings. The correct way to form each letter is shown and in later Workbooks joined-up (cursive) writing is introduced.

£1.50 each

Phonics Workbook 1	BO742
Phonics Workbook 2	BO743
Phonics Workbook 3	BO744
Phonics Workbook 4	BO745
Phonics Workbook 5	BO746
Phonics Workbook 6	BO747
Phonics Workbook 7	BO748

Phonics - Jolly Phonics Videos

Age 3+. Enter the enchanting world of Inky Mouse as she shows her friends Snake and Bee how to read and write, with the help of Phonic, an old computer. Using systematic phonics, these videos show how letters and sounds work.

Video 1	BO749	£8.50
Video 2	BO750	£8.50

Rime Read

Stephanie Smith

3 Rime-based stories with activities. Can be used to support the Rime Time programme.

£11.95 each

Book 1	BO762
Book 2	BO763
Book 3	BO764

Seven Ways To Help Your Child With Reading

Barbara Greere

£4.50	BO411
-------	-------

Suggestions to show how reading is related to everyday life, in order to build up a child's confidence and make reading fun.

101 Ways to get your Child to Read

Patience Thomson

£199	BO1005
------	--------

This book has the answers to why your child needs to read, how you can help your dyslexic or struggling child to love books and practical tips to help every parent and every child.

Spelling Made Easy Series

Violet Brand

This successful and popular series enables children to learn and develop the fundamental skills needed when learning how to spell. Spelling age 7-8 years. Multisensory structured phonics. A successful and popular series enabling children to learn and develop the fundamental skills needed when learning how to spell.

Introductory Level - Key Stage 1

BO658	£6.50
-------	-------

Spelling age 8-9 years. This book illustrates the dictations to reinforce the word families.

Level 1 - Sam & the Tramp - Key Stage 2

BO659	£6.50
-------	-------

Teacher's Guide	BO859	£10.00

Writing Under Control

Edited by Judith Graham & Alison Kelly

£15.00	BO628
--------	-------

This book covers recent developments in the teaching of writing and compositions whilst addressing spelling, punctuation and handwriting and will be of particular interest to undergraduate and post graduate teacher training.

How to Write Like a Writer (Narrative and Descriptive Writing)

Bob Hext

£15.95	BO1012
--------	--------

This book gives reluctant writers the skills to write creatively in accurate, correctly structured sentences, using the techniques of Narrative, description and Dialogue. It will provide reluctant writers – and willing ones – with a refreshing alternative that will give

them the keys to producing work that has the hallmarks of being written "by a writer". (includes free CD)

Re-Write

Val Hammond

£24.99	Part One	BO1015
£12.00	Part Two	BO 1016

This is a structured, cumulative handwriting programme. The photocopiable material uses gridded paper to ensure correct letter formation that is orientated to the vertical kline as well as the more usual horizontal line. Part Two aims to develop the handwriting motor patterning required for the writing of words containing common spelling patterns.

MATHEMATICS

Cracking Maths

Andrew McPherson

£12.95		BO096
--------	--	-------

A photocopiable card-based learning programme which teaches the Math Curriculum building confidence in special needs students, giving time to work at their own speed. Ideal for use in the Numeracy Hour.

Dyslexia and Maths

Julie Kay & Dorian Yeo

Percentages and Fractions	BO875	£1.99
---------------------------	-------	-------

Mathematics For Dyslexics - A Teaching Handbook

Stephen J Chinn & J Richard Ashcroft

£29.99		BO488
--------	--	-------

This book offers a background view of the problems dyslexics face in mathematics; a philosophy of teaching approaches; a diagnostic procedure and practical suggestions on how to teach a range of mathematical topics.

Maths For The Dyslexic

Anne Henderson

£23.99		BO284
--------	--	-------

A practical guide those who help dyslexic students who struggle with mathematics.

Maths Language Pack

Andrew McPherson

£9.00		BO287
-------	--	-------

Maths language pack, for key stages 2, 3 and 4, containing photocopiable resources to help teachers teach the maths vocabulary to students who find this area difficult.

Multiplication Square (12 X) & Alphabet ARC Cards

£0.50		MO040
-------	--	-------

Pocket sized laminated cards with the alphabet arc on one side and multiplication tables up to 12 x on the other.

Number & Multiplication Squares

£1.00		MO321
-------	--	-------

An A5 laminated card with tables square (12x) on one side and a number square on the reverse.

Number Square / Alphabet Arc Cards

£0.50		MO039
-------	--	-------

Pocket sized laminated cards with the alphabet arc on one side and a number square up to 100 on the other

Numdrum

£3.50		MO601
-------	--	-------

Helical Number Line. An innovative number teaching tool for KS1 and KS2. Simple yet effective for addition and subtraction

Seven Ways To Help Your Child With Maths

Barbara Geere

£4.50	BO412
-------	-------

A practical guide for parents who wish to help their children develop an enjoyment of maths.

Supporting Numeracy

Rita Headington

£15.00	BO462
--------	-------

For classroom assistants working with primary students to build knowledge of numbers, measures, shapes, building tools, language, equipment and its uses, the book aims to reduce the fear-factor of maths, and increase confidence.

Target 10 - Maths In Secondary Schools

Rosemary Baxter & Linda Harrison

£24.99	BO802
--------	-------

Maths describes how to fill the gaps in understanding and knowledge for secondary pupils who are not coping with the exam curriculum. It looks at the understanding of number, the acquisition of skills, the language of Maths and the demands of the curriculum. Maths promotes VARIOUS strategies for learning - Visualise, Associate, Repeat, Interest, Organise, Understand, Share. It checks basic knowledge is secure and explores "What is the problem", suggests "Where to start", and advises "Where to go next".

What To Do When You Can't Learn The Times Tables

Steve Chinn

£11.50	BO657
--------	-------

Some Children and Adults find that learning their times tables is virtually impossible. The work in this book is designed to give some meaning to the numbers in the times tables. With a little time working with these methods it is possible to develop new skills and new confidence with numbers.

Working With Dyscalculia

Anne Henderson, Fil Came & Mel Brough

£27.50	BO672
--------	-------

This book is an excellent resource for both class teachers and specialist teachers, It provides guidance on assessment and gives lots of practical suggestions for teaching.

TEACHING RESOURCES

'P' and 'B/D' Cards

£0.35	MO329
-------	-------

'p' and 'b/d' double sided, pocket sized and laminated cards.

A Reference For Spelling

Kath Balcombe

£26.95	BO635
--------	-------

A valuable resource and reference for English spelling patterns and rules. Photocopiable.

Ace Spelling Dictionary

£9.95	BO033
-------	-------

Using the unique Index, pupils only think how a word sounds to find out how to spell it. Simply identifying the first vowel sound, the speller is instantly sent to the page where the problem word is found.

Alpha To Omega

Beve Hornsby

£29.50	BO041
--------	-------

The A-Z of teaching reading, writing and spelling. The new 6th edition has a revised and updated Teacher's Guide, new dictation sentences, and a new Student's Book containing exercises.

Dictionary Of Perfect Spelling

ASSESSMENT RESOURCES

Helen Arkell Auditory Test 6 - 11 Years

£24.50	BO056
--------	-------

This battery of tests, for use by specialist teachers, is designed to fulfil the need for a brief, but sufficiently comprehensive set of tests to probe phonological awareness and processing in students from 6-11 years. The tests may be used with older students where phonological skills are weak.

Helen Arkell Spelling Test (HAST)

NOTE:

Part 2 is currently unavailable as it is being revised.

When available:

This assessment offers several important functions: - it assesses spelling ability - provides an innovative method of measuring spelling development - an important diagnostic tool, vital for planning remedial help and in indicating any Specific Learning Difficulty (Dyslexia) - suggests effective teaching strategies and materials across the entire age range.

Helen Arkell Spelling Test (Hast) Part 1 - Word Spelling Test

£16.50	BO193
--------	-------

Provides a wide-ranging spelling test which gives :- spelling ages from 5 years to adult (17+), - spelling age, - centile and quotient

Helen Arkell Spelling Test (Hast) - Part 2 - Diagnostic Spelling Test

Currently unavailable as it is being revised.

When available:

Allows for further analysis leading to appropriate remedial teaching suggestions: It uses the test results from Part 1, evaluates the person's spelling strategies, compares strategies with the person's peer group, provides teaching recommendations which could form part of an Individual Education Plan (IEP) in line with the objectives of the Code of Practice.

Peeramid 2 - 9-15 Years

£75.00	BO336
--------	-------

Paediatric Examination of Educational Readiness at Middle Childhood - 9-15 years consists of - 1 Examiner's Manual, 1 Stimulus Book. 3 Response Books, 3 Record Forms, 1 Information Leaflet. The replacement pack consists of 3 Response Books and 3 Record Forms (*cup and ball required, but not supplied)

Replacement Pack	BO338	£21.00
Video	VO336	£50.00

Peex 2 - 6-9 Yrs

£75.00	BO339
--------	-------

Paediatric Early Elementary Examination - 6-9 years. Consists of - 1 Examiner's Manual, 1 Stimulus Book. 3 Response Books, 3 Record Forms, 1 Information Leaflet. The replacement pack consists of 3 Response Books and 3 Record Forms (*cup and ball required, but not supplied)

Replacement Pack	BO341	£21.00
Video	VO339	£50.00

Phonological Awareness Procedure

Barbara Gorrie, Elaine Parkinson

£22.00	BO365
--------	-------

Both an assessment procedure and a resource of ideas, designed as a screening procedure for children over 8 years although it has applications for children as young as 6. The first part of the book assesses early indications of dyslexia. The resources in the second part provide suggestions for teachers to help children who are experiencing difficulties in the different areas assessed. The pictures and ideas are clear and photocopiable
